

## Create a Label with Microsoft Word and Snipping Tool

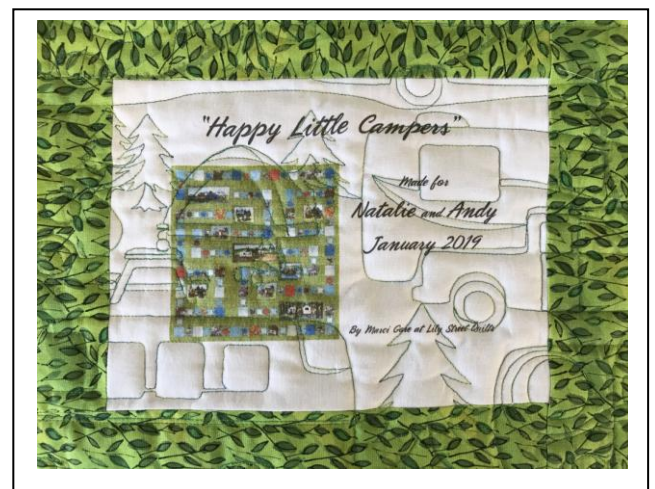

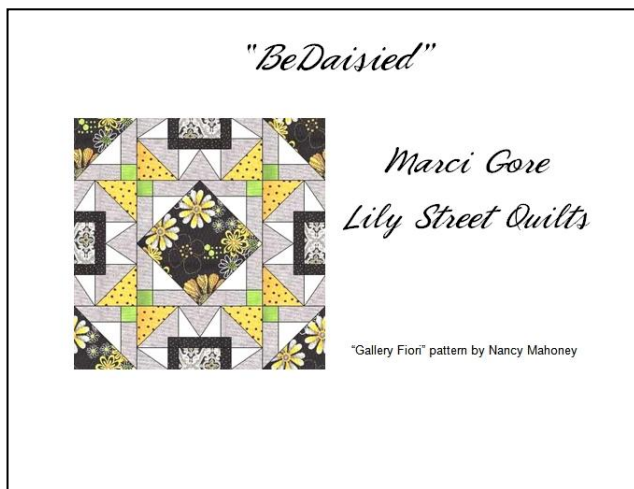

1. Use Text Boxes for Text and Images

2. Text:

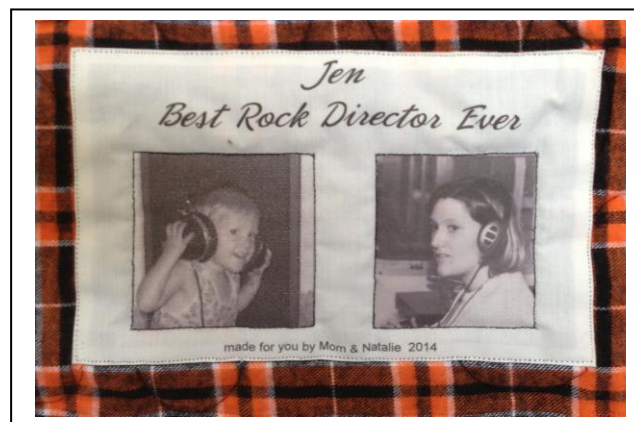

- Title
- Who it's for
- Who made it
- Place
- Date
- Care Instructions
- A Story

3. For Images:

- Use photos of your quilt – a block, a print, the entire quilt

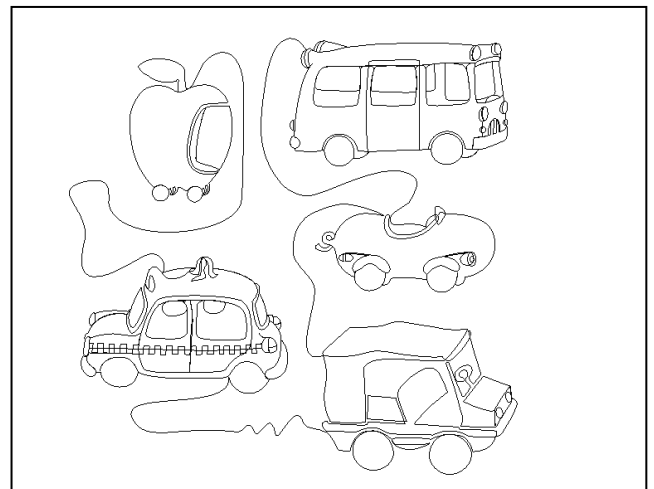

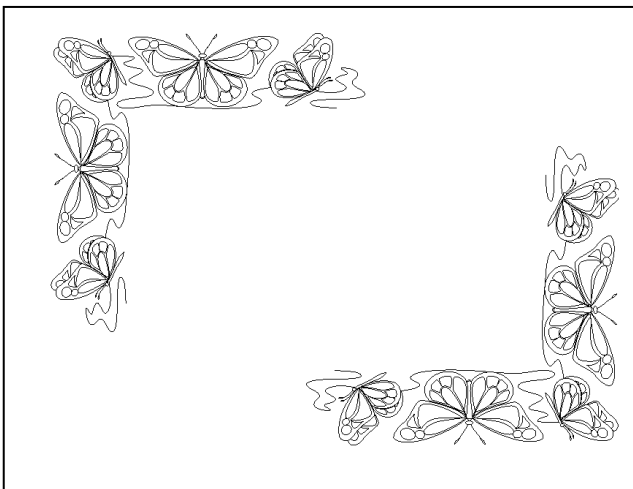

- Use photos of people, places or things.

- Download a free vector image from [vectorstock.com](http://vectorstock.com)

- Use a pattern from your collection

4. Multiple labels on a sheet

5. Use **Snipping Tool** (or any screen capture program)

- Located in Accessories
- Snip
- Save As

6. Use **Paint** (or any graphics program) to Rotate and/or Resize

- Located in Accessories
- Max: 768 x 1056 pixels (96dpi), 2.5 megabytes
